The Volunteer

I understand Disciples 4 Christ is a coalition of ministries and that we work with all types of Christian denominations. It isn't about religion!! It's about the shed blood of Jesus Christ.

By submitting an online application I agree to:

- Respect the organization's values and principles and to adhere to the organizations rules and procedures.
- Be at all mandatory meetings and practices
- Carry out my duties and conduct myself in a Christ like manner
- Only act within the limits of any authority given to me. At all times there is a leader (inside event, community outreaches, at all ministry functions) and the team is to look to that leader for direction. Each member must respect the work of the organization and its members and not bring it into disrepute.
- Perform my role to the best of my ability
- To pray for my team, the participants, Unit Administration and event activities.
